

## SummaCut Firmware Version

---

### Info

This procedure describes the method to query the ROM type (version and revision) of a SummaCut series cutter using the control panel on the cutter.

It is not necessary to load media in the cutter to perform the test.

### Procedure

1. Power on the cutter.
2. Press .  
*'Velocity' will appear on the LCD.*
3. Press .  
*'System Setup' will appear on the LCD.*
4. Press .  
*'Confidence' will appear on the LCD.*
5. Use  or  to scroll through the menu until 'ROM REVISION' is reached.
6. Press .  
*The 'Rom Revision' of the cutter will now appear on the LCD.*
